# Jellyfish 101

Edit

## Welcome to Jellyfish 101

*This course is an exciting adventure into the unknown world of jellyfish. Did you know that scientists suspect that over 300,000 species of jellyfish exist? This course will only cover a few. We will review the basic anatomy, physiology, and reproductive system of the Chrysaora Chesapeakei and the Lion's Mane jellies. (picture above is the sea wasp link [Sea Wasp: Characteristics and Habitat - My Animals](#))*
