

# Principle Two

This screenshot shows the 'People > Groups' interface in Canvas LMS. The left sidebar contains navigation options: Home, Announcements, Assignments, Discussions, Grades, People (selected), Pages, Files, Syllabus, Outcomes, Rubrics, Quizzes, Modules, BigBlueButton, Collaborations, Attendance, and New Analytics. The main content area is titled 'Databases > People > Groups'. It features a search bar with 'Find a Database Group' and a '+ Group Set' button. Below the search bar, there are buttons for '+ Import', '+ Group', and a menu icon. A message states 'Self sign-up is enabled for these groups.' The interface is divided into two columns: 'Unassigned Students (0)' with a search box and a message 'There are currently no students in this group. Add a student to get started.', and 'Groups (5)'. The groups list includes five entries, each with a search icon, the name 'Find a Database Group [number]', '0 students', and a menu icon.

This screenshot shows the 'Assignments' page in Canvas LMS. The left sidebar is identical to the previous screenshot, with 'Assignments' selected. The main content area is titled 'Databases > Assignments'. It features a search bar with 'Search for Assignment' and buttons for '+ Group', '+ Assignment', and a menu icon. A 'Student View' button is visible in the top right. The assignments list shows a section for 'Assignments' with a plus icon and a list item 'Join One Group' with '100 pts', a green checkmark, and a menu icon.

SpeedGrader™

Everyone must join one group. Each group should work together to find a database online that contains data that can be used to combat social justice concerns. Each group should also prepare to explain what the database contains and how it can assist with social justice during class.
